

Massachusetts Construction Supervisor Prep Class/Building Code Update

September 19, 2009 (Sat.); October 3 & 24, 2009 (Sat)

\$425

This 3 day, every-other-Saturday class *prepares you for taking the Massachusetts Construction Supervisor Licensing Exam*. It's also ideal for those looking for a review of the many changes in the Massachusetts Building code. The state requires a minimum of three years experience in construction before filling out an application for this license.

This class covers the Massachusetts State Building Code (sixth edition for base code and seventh edition for one & two family dwellings), and *provides exam preparation by interpreting the Code...leaving you with a clearer understanding. You'll also...*

1. Understand the examination process
2. Tab the State Building Code
3. Practice looking up information in the code
4. Highlight some important information in the code
5. Complete practice examinations
6. Increase your general knowledge of building code requirements
